## About nemco City Ensembles

Nemco provides instrumental tuition to schools across the City of Newcastle and beyond. Nemco also provides a range of ensembles for students to participate in. Membership of these ensembles supports the performance elements of GCSE, helps to develop the skills needed for grade examinations and improves the confidence and music making skills of participants. We believe that these ensembles are vital to the developing musician.

The termly fee for each ensemble is **£15.00** This helps to maintain and develop the ensembles and in part helps to cover the overheads incurred in their running.
